DOCUMENT 1-882/83

MOTION FOR A RESOLUTION

tabled by Mrs THEOBALD-PAOLI, Mr JAQUET, Mr G. FUCHS,
Mrs PERY and Mr LALUMIERE

pursuant to Rule 47 of the Rules of Procedure

on the organization of major debates on the action
taken by the Commission and the Council on resolutions
adopted by the European Parliament

PE 87.182

The European Parliament,

- A. wishing to give more careful consideration to the action taken by the Commission, the Council and the Governments of the Member States on the resolutions which it has adopted,
 - B. whereas the brief exchange of views which is held on this subject at the start of each ordinary part-session does not allow any useful or adequate insight into the action taken by the other European Institutions on the resolutions adopted by Parliament,
 - C. whereas, however, consideration of the action taken on its resolutions, if it is to be more detailed, cannot, for obvious reasons connected with the agenda and the efficiency of work not only in Parliament but also in the other Community institutions, take place at every part-session,
- 1. Instructs its President and the Bureau to consider with the Commission and Council the possibility of holding a major information debate, which could take place two or three times a year, on the action taken by the other European Institutions on the resolutions adopted by the European Parliament, without abolishing the present debates;
 - 2. Invites its President and the Bureau to consider with the chairmen of the committees and interparliamentary delegations the possibility of preparing these debates in the committees or delegations;
 - 3. Instructs its President to forward this resolution to the Commission, the Council and the Governments of the Member States.
